**Plant Therapy is launching its new Chakra Roll-On Set, a special line of pre-diluted essential oil synergies to help balance the seven major chakras of your natural energy system**

**TWIN FALLS, IDAHO - APRIL 23, 2018**

[Plant Therapy](#), a leader in the aromatherapy industry, is launching an exciting addition to its product line-up, the new [Chakra Roll-On Set](#). The Chakra Roll-On Set embodies everything our customers love about our Chakra Synergies, now available in 10mL pre-diluted roll-on bottles.

Plant Therapy has created a special line to help balance the 7 major chakras of your natural energy system in our Chakra Roll-On Set. Chakras are subtle energy centers that intersect with our mind, body, and spirit. These chakras are located along our spine in ascending order from base to crown. When our chakras are in balance our natural energy flows smoothly creating a sense of overall well-being. The set includes [Grounded Foundation](#), [Joyful Creation](#), [Self Manifestation](#), [Loving Compassion](#), [True Expression](#), [Clear Intuition](#), and [Higher Connection](#) essential oil synergies.

“These synergies were created with the intention to support balance in each of the individual chakras while providing a gently inviting and accessible experience,” says Retha Nesmith, Brand Manager and certified aromatherapist at Plant Therapy. “The Chakra Roll-On Set can help to nurture and inspire creativity, quiet the mind, and nourish the spirit.”

The Chakra Roll-On Set includes a 10 mL pre-diluted roll-on bottle for each of the 7 chakras. The set is packaged in a round box that includes a booklet with detailed information on each of the synergies. Each unique synergy aligns with a different energy center and can be readily used by topical application because it comes pre-diluted with Fractionated Coconut Oil at 3%. The 7 chakras in order are Root, Sacral, Solar Plexus, Heart, Throat, Brow/Third Eye, and Crown. The set is available now at <https://www.planttherapy.com/chakra-synergies-essential-oil-roll-on-set>.
