CITRONELLA PEST-CONTROL CANDLE

What you'll need:

Pint-size jar

8 ounces of Beeswax Pearls

30 drops Citronella

10 drops Geranium Egyptian

7 drops Rosalina

5 drops Patchouli

10-inch wax wick

What you'll do:

Melt beeswax over a double boiler. Remove from heat, add the essential oils, and stir. Carefully pour the mixture into the jar. Place the wick in the middle and wrap the excess around a pencil or dowel to keep the wick in place. Allow to set up completely. Trim wick to 1 inch.
