

CANDY CANE™

GELATIN AIR FRESHENER DIY

WHAT YOU'LL NEED:

- 1 oz powdered gelatin
- 1 cup boiling water
- 25-30 drops Candy Cane
- 1 cup room temperature water
- 1 Tbsp of salt
- Food coloring
- 2 mason-type jars

WHAT YOU'LL DO:

Add gelatin to the cup of boiling water, mixing as you pour slowly to help completely dissolve. Stir in the salt and second cup of water. Add Candy Cane and food coloring, then mix well. Carefully pour the mixture into the jars. Allow to cool and set up.
