

Cardboard Roll Christmas

FRIENDS

KidSafe®

What you'll need:

- ★ Empty toilet paper rolls
- ★ Colored paper
- ★ Yellow felt
- ★ Pom-poms
- ★ Scissors
- ★ Kid-friendly acrylic paint
- ★ Fine-tipped sharpie pen or paintbrush
- ★ Glue gun with glue sticks

What you'll do:

1. Cut into the top of the tube at a slant and fold the cardboard to create a triangle shape in the middle. Repeat on the other side of the roll. This creates a pointy, crown-like top.
2. Paint the bottom half of the roll a solid color for the outfit.
3. Paint or draw a belt with a buckle around the center of the outfit.
4. Paint or draw eyes, nose, and mouth above the outfit.
5. Using colored paper, cut out a large circle and cut the circle in half.
6. Create a cone shape and glue together, making sure it fits on top of the toilet paper roll. Two elf ears will be sticking out.
7. Glue a pom-pom to the top of the cone hat.
8. Cut the yellow felt into a thin strip for the collar and glue onto the outfit.
9. Place 1-3 drops of Holly Berries Holiday Blend into the inside of the toilet paper roll for lovely passive diffusion!
