

# No Sew Felt FLOWERS

## What you'll need:

- \* **Felt in the desired color for your flower**
- \* **Glue gun with glue sticks**
- \* **Scissors**
- \* **Holiday Blend of your choice**

## What you'll do:

- 1. Felt in cut out felt circles of various sizes to create petals.**
- 2. Cut one slit from the edge to the center of the circle for each felt petal.**
- 3. Curve the shape of the petal by grabbing the point on either side of the slit, overlapping the pieces, then gluing the sides together.**
- 4. Repeat until the desired numbers of petals have been made.**
- 5. Assemble your flower by starting with the smallest petals in the center and building outward. Glue to hold petals in place.**
- 6. Bend the edges of the petals outward.**
- 7. Add 1 drop of your favorite Holiday Blend to the center of the flower.**

**KidSafe depending on the  
Holiday Blend used.**
