## SOFT SCRUB CLEANER DIY

### WHAT YOU'LL NEED:

- 1 cup baking soda
- ¼ cup castile soap
- 2-4 Tbsp water
- 20 drops Fresh Picked Citrus

### WHAT YOU'LL DO:

Combine baking soda, castile soap, and essential oils in a small bowl. Add water until it reaches the consistency of a soft paste. Use scrub to polish sinks, tubs, and other hard-to-clean surfaces.
