

DIY

Valentine Roll On

What you'll need:

- 6 drops essential oils
- 10 mL Everclear
- 10 mL roll-on bottle

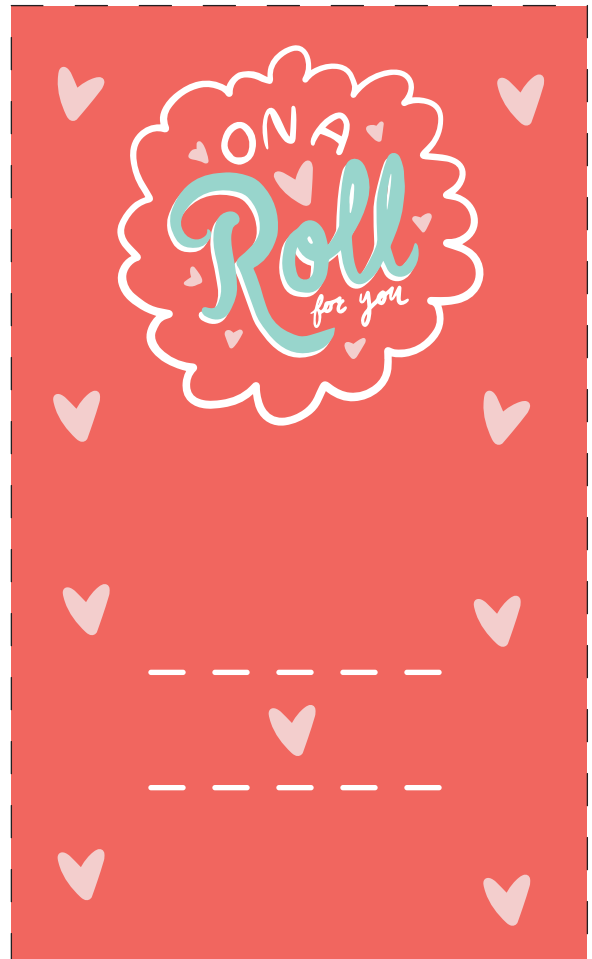

What you'll do:

Add the essential oils to your roll-on bottle and fill the rest with Everclear. Apply to wrists and pulse points to enjoy your personal scent.

Roll On Label

Top Label

Make your Valentine gift extra cute! Cut along the dotted line and apply to your new roll-on. Then cut the lines on the card, then slide over the roll-on bottle.

This month's OOTM works great with this recipe!
