

# DIY SCARF PUMPKINS

## WHAT YOU WILL NEED

- A roll of toilet paper
  - A hand towel or scrap fabric
  - Heavy tape or rubber bands
  - A lightweight scarf or fabric
    - A 5-6 inch stick
    - Raffia or ribbon
  - Pumpkin Pie or other Fall Blend
- 

## WHAT YOU WILL DO

1. Fold the hand towel lengthwise and wrap it around the roll of toilet paper.
2. Secure with tape or rubber bands
3. Thread one end of the scarf through the middle of the roll.
4. Hold it with one hand while you continue to wrap the scarf through the middle.
5. Tuck in any remaining ends.
6. Adjust the scarf, making sure the roll is completely covered.
7. Wrap tape around one end of the stick and insert it into the middle.  
The tape will keep the stick from snagging your scarf.
8. Embellish with raffia, ribbon, or other fall accents.
9. Place a few drops of Pumpkin Pie Fall Blend on the stick.
