

Turmeric Fresh Tek

ESSENTIAL OIL

Ingredients: Curcuma Longa (Turmeric) Root Oil

Shelf Life: 1-2 years

KidSafe: No

Cautions: Possible drug interactions. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician. External use only.

Directions:

Aromatic - Diffuse 2-3 drops per 100 mL of water or use in a personal inhaler.

Topical - Dilute to 1-2% in a carrier.

DESCRIPTION

Turmeric as an herb has been prized for centuries for its wide range of health and flavor benefits. Because of its sweet, spicy aroma, Turmeric Fresh Tek adds a unique twist to your fall and winter blends. It's also wonderful for supporting healthy digestion, helping soothe joints, and assisting with head and neck tension relief. This unique essential oil is obtained through a very innovative, tailor-made version of steam distillation. Using 'fresh' rhizomes, the herb is distilled at a much lower temperature than traditional distillation, for a fraction of the time usually required. This technology also circulates the pulp so the material comes in contact with the heating medium for a very short duration, resulting in beautifully fresh top notes and unique, special oil.
